Sunday, May 3rd, 1885, morning ser ics II A. M.

RESP RESE.

ON THIAL, WHY NOT SENTENCE PASS Seats free. Ushers in attendance.

Dry Weather.

It has been so dry that our farmers find it imposible to plant cotton with any chance of it coming up. Farmers are a priveleged class, and are always expected to grumble. They are now at at and will continue for the rest of the

The Senior.

In another portion of the paper will b found an article referring to a rumor of the Senior having purchased a mammoth cooking stove, the rumor is now | ton. confirmed. He has purchased two plates that are fully large enough to go with the stove. It does look encouraging.

We are very sorry to learn that Mrs. J. H. Robinson is very ill. On last Friday night at about half past I o'block she was stricken with paralysis. She has been exceedingly ill, but we are happy to say is now improving.

In another portion of the paper is an article from the Review concerning the important that he would be willing to death of Mr. Flanner. In former times accept the proposition as it stood. He Sanitary Work. Mr Flanner resided in Cumberland spoke of the great benefit it would be The Superintendent of Health, Dr. W country, and has many warm friends in bringing back to us our lost trade. C. McDuffe, informs us that the here who will money for blue.

we are partied to any other of sylvania road for Philadelphia, etc. He middle of May at the farthest, they after an application of Mr. N. F. Holmes, experintendent of showed the importance of a great trunk will have put all the large ditches and the large difference of the control of the special control of the control o Beaver Creek and Bluff Mills. Her fu- line running through to the West. The sewers in running order. All this will neral was one of the most solemn and connecting line with Cincinnati would avail but little however, if the indiimpressive that was ever witnessed at certainly be built. He also alluded to vidual citizens negligible to cleause and the village, and seldom surpassed in the great importance of a road which disinfect their own premises. This work ways in stock at manifestations of grief anywhere.
